

WEEKEND of the Cross

Dear Friend,

I am writing to ask for your financial gift to help support an event that makes a difference for hundreds of people each summer. Weekend of the Cross is an opportunity for youth and adults throughout Louisiana to come together for a weekend of service, worship and community. This summer we will be welcoming about 150 volunteers who will be working on about 12 homes. We have been improving homes on the Northshore for 7 years and are looking forward to many more years of making a difference in our community!

Most of the homeowners who request our help are elderly or disabled and live on a near or below poverty-level income. With your gift, we will be able to send a work team to a home for two full days to paint the exterior of the house, repair a porch or build a wheelchair ramp. We have been involved in Weekend of the Cross for many years and have seen the way it changes the lives of those we work for. One owner in tears stated to the youth, " I helped others when I was young, but I never thought I would need help. But today, I realized that God is watching over me through you. Today is the first time I have left my home with out assistance in 3 years." This was just one, among many, heartfelt thanks that we hear from some of the homeowners that were serve each year.

I have observed youth who have participated several years and have learned some very useful skills such as home repair and how to work as a team. During the weekend, they are given a chance to be of service to others and experience inspiring worship in the evenings. In addition, all of us involved are able to spend time with the homeowners and their families building a relationship that has brought joy to many of us.

You can be a part of this mission event and know that you have enabled volunteers to have a significant impact on members of our community who are in need. I have attached a Sponsorship Form that details opportunities for businesses, churches or individuals. Please help us maximize our resources by completing the attached form and mailing or faxing it to us. If you require more information, please do not hesitate to call.
